In this guide we will cover the method to unlock flying in Final Fantasy XIV. Unlocking the ability to fly in Final Fantasy XIV is quite easy once you get used to it, but can be quite confusing at first. With this guide we will get you and your grief going, or should I say fly? FFXIV Unlock Flight Once you have progressed enough in the history of Heaven and completed the quest divine intervention you get as a Black Chocobo whistle and an ether compass. This whistle will unlock the flying chocobo for you, but you can't fly just yet. In fact you will need to tune in to the ethereal currents in each zone where the flight is included. What are ethereal currents and how to get them? Let's get back to that right now. FFXIV How to Fly and Ethereal Currents If you open your Aether Currents menu you will be able to see how many of them you still need to set up in order to fly in the designated area. As you can see in the picture above, you have two types of ethereal currents. Orange are award-winning both sides quests and a major search story while Green are using the Ether Compass you got. To use the compass just right click on it. The position of the nearest current ether will be displayed, you just need to get there and right click on them. Advice on ethereal currents My advice for ethereal currents related to quests would first make all the blue quests you see that gives them as a reward, and if you still miss the ether current, progresses to MS. Once you are tuned to each current, you are ready to go! FF14 Fashion Report is a weekly contest in which players can earn amazing rewards by showing off their best outfits. Thanks to Miss Kayoko Star's theory, here are the best glamorous solutions available this week in Final Fantasy XIV. You. ffxiv sea of clouds aether currents map
